

Information about the processing of personal data

The aim of this document is to provide you with information about the processing of your personal data and your rights related to this processing, according to company Obce v datech, s.r.o., based on Šaldova 219/1, Karlín, 186 00 Praha 8, Company ID: 05755875 registered in the business register led by Municipal Court in Prague under Reference C 270198 ("company Obce v datech")

Processing takes place within these activities:

Filling in your data using forms at www.obcevdtech.cz

Purpose of processing:
Identification of person
Description of the purpose of processing:
The data that we process serve two main identification purposes. In the case of registering for an event, data collection is necessary to identify and possibly contact the registered person. In the case of showing interest in publishing a microsite of the municipality or sending an opinion to the municipality, we collect data to identify that you are a real person.
Authorization for processing:
Processing is necessary for the legitimate interests of the personal data controller.
Categories of personal data that we process:
We process basic identification data and contact details: name, surname, e-mail and phone number.
Processing and archiving time:
We keep your personal data for 3 years and then they are deleted.
Categories of processors or recipients to whom we may provide your personal information:
We keep your data inside our company unless you use the option to contact your municipality – a form on the sub-sites of "Contact Your Community." In this case, we forward your opinion, including your given name and email, to the contact person of the municipality to allow the municipality to react to the opinion.
Source of personal data
Data provided by users through the forms on the website www.obcevdtech.cz
Transmission of personal data to third countries or to multinational companies:
We do not transfer personal data to third countries or to multinational companies.
Automated decision making on the basis of personal data:
We do not use automated decision making.

What are your rights?

As part of the processing of personal data, you have the following rights:
